To listen or make comments not to exceed 2 minutes by phone: dial 1- 800-857-1917 and enter passcode 6032788#

The electric investor-owned utilities will publicly present to the CPUC and other stakeholders on their preparedness for Public Safety Power Shutoff (PSPS) events in 2022. The utilities will provide updates on the status of preparation efforts and coordination with public safety partners, critical infrastructure and facilities, and customers, including those most vulnerable or with access and functional needs. The utilities will present on efforts to mitigate customer impacts and will identify changes to processes or operations in 2022 based on lessons learned.

### Day 1 Agenda

#### Opening Remarks

1:00 p.m. – 1:15 p.m.

CPUC Commissioners  
Daniel Berlant, Deputy Director, CAL FIRE
