- Late changes to agenda items are available on the Escutia Table.

Regular Agenda – Energy Resolutions and Written Reports

Item # 56 [14077] – Approval with Modifications to the Joint Utility Proposal for a Demand Response Auction Mechanism Pilot Pursuant to Ordering Paragraph 5 of Decision 14-12-024

Res E-4728, SCE's Advice Letter (AL) No. 3208-E, PG&E's AL No. 4618-E, and SDG&E's AL No. 2729-E, filed on April 20, 2015 - Related matters.

PROPOSED OUTCOME:

- Approves, with modifications, the proposal of Southern California Edison Company, San Diego Gas & Electric Company, and Pacific Gas and Electric Company, to create an auction mechanism for demand response capacity, called the Demand Response Auction Mechanism.
- Adopts with modifications, the auction design, protocols, standard pro forma contract, evaluation criteria and non-binding cost estimates.

SAFETY CONSIDERATIONS:

- The Resolution approves a pro forma power purchase agreement that contains provisions requiring compliance of sellers and their agents with all applicable laws, including laws related to permitting and safe operations. No additional incremental safety measures are or need be associated with the Resolution.

ESTIMATED COST:

- As required in Ordering Paragraph 5c of Decision (D.) 14-12-024, the Advice Letters contain a non-binding cost estimate of \$9 million dollars across the three Investor Owned Utilities (IOU).
- Ordering Paragraph 5d of the same decision gave the IOUs the authority to shift up to 50% of funds from any demand response program without authorization, if and as needed to fund the pilot.

Regular Agenda – Energy Resolutions and Written Reports

Item # 56a [14082] – COMMISSIONER SANDOVAL'S ALTERNATE TO ITEM 14077

PROPOSED OUTCOME:

- This Resolution approves, with modifications, the proposal of Southern California Edison Company (SCE), San Diego Gas & Electric Company (SDG&E), and Pacific Gas and Electric Company (PG&E) to create an auction mechanism for demand response capacity, called the Demand Response Auction Mechanism (DRAM).
- Specifically, this Resolution adopts with modifications, the auction design, protocols, standard pro forma contract, evaluation criteria and non-binding cost estimates.
- This Alternate Resolution requires SDG&E, SCE, and PG&E to exclude fossil-fueled back-up generation from DRAM bids.

SAFETY CONSIDERATIONS:

- This Resolution approves a pro forma power purchase agreement that contains provisions requiring compliance of sellers and their agents with all applicable laws, including laws related to permitting and safe operations. No additional incremental safety measures are or need be associated with this Resolution.

ESTIMATED COST:

- No additional costs are requested for the pilot. As required in Ordering Paragraph 5c of Decision 14-12-024, the Advice Letters contain a non-binding cost estimate of \$9 million dollars across the three Investor Owned Utilities (IOUs).
- Ordering Paragraph 5d of the same decision gave the IOUs the authority to shift funds from existing demand response budgets to fund the pilot.

**President Picker's Presentation Seeking
Endorsement of Proposed Initial Scope of
Work for California Public Utilities Commission
Strategic Planning Process**

Strategic Plan

California Public Utilities Commission

San Francisco, CA

July 23, 2015

Why a Strategic Plan?

- **Objective** - The Strategic Plan represents an opportunity to assess the current status of the Commission, develop priorities for the Commission going forward and create an action plan to align the Commission's responsibilities and goals with its capabilities.
- **Timeline** – Develop an agency-wide strategic plan process over the next twelve months. This effort will be the first comprehensive planning initiative undertaken by the CPUC in over 20 years.

- Mission: To facilitate the development of high-performing organizations
- Clients: Public agencies, non-profits, corporations
 - Department of Health Care Services
 - CalTrans
 - CalPERS
 - Department of Managed Health Care
 - California State Auditor
 - CPUC: Office of Ratepayer Advocates, Energy Division
 - SMUD

Initial Scope of Work

Governance - Develop specific clarity about the role of commissioners, staff roles, and delegations to staff. Codify all of the above in an integrated set of governance policies.

Scenario planning. For each sector that CPUC regulates assess current and needed staff capacities. Develop a set of strategies that effectively positions CPUC within the context of agreed-upon scenarios.

Results-oriented goals and performance metrics. Based on the results of scenario planning, develop high-level, results-oriented goals and related performance metrics, both for the sectors that CPUC regulates as well as internally for the organization.
