Public Agenda Changes

Items shown on the Consent Agenda will be taken up and voted on as a group in one of the first items of business of each CPUC meeting.

- Items on Today's Consent Agenda are: 1, 3, 4, 5, 6, 7, 9, 10, 11, 12, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 29, 30, 31, 32, 33, 34.
- Any Commissioner, with consent of the other Commissioners, may request an item from the Regular Agenda be moved to the Consent Agenda prior to the meeting.
- Item 46aak from the Regular Agenda has been added to the Consent Agenda.
- Any Commissioner may request an item be removed from the Consent Agenda for discussion on the Regular Agenda prior to the meeting.
- Item 8, 13 has been moved to the Regular Agenda.
- Item 48 has been withdrawn.
- The following items have been held to future Commission Meetings:
 - Held to 6/23/16: 28, 35, 35a, 36, 37, 37a, 38, 41, 42, 43, 44, 45, 46 (Except Sub Item 46 aak) and 47.
 - Held to 7/14/16: 2.

Regular Agenda

- Each item on the Regular Agenda (and its alternate if any) will be introduced by the assigned Commissioner or CPUC staff and discussed before it is moved for a vote.
- For each agenda item, a summary of the proposed action is included on the agenda; the CPUC's final decision may, however, differ from that proposed.
- The complete text of every Proposed Decision or Draft Resolution is available for download on the CPUC's website: www.cpuc.ca.gov.
- Late changes to agenda items are available on the Escutia Table.

Regular Agenda – Energy Orders

Item # 8 [14870] – 2017 Bridge Funding for Pacific Gas and Electric Company, San Diego Gas & Electric Company and Southern California Edison Company (SCE) Demand Response Programs and Activities including SCE Activities to Help Mitigate the Aliso Canyon Gas Leakage

R13-09-011

Order Instituting Rulemaking to Enhance the Role of Demand Response in Meeting the State's Resource Planning Needs and Operational Requirements.

Ratesetting

Comr Florio - Judge Hymes

PROPOSED OUTCOME :

- Approves, with revisions, Southern California Edison Company's (SCE) Proposal to Mitigate the Aliso Canyon Gas Leakage.
- Authorizes the elimination of the demand bidding program beginning in 2017 for Pacific Gas and Electric Company (PG&E) and San Diego Gas & Electric Company (SDG&E) and in 2018, for SCE (part of Aliso Canyon mitigation efforts).
- Authorizes PG&E, SDG&E, and SCE to hold a demand response auction in 2017, with revisions.
- Authorizes PG&E to increase incentives for the Capacity Bidding Program.
- Denies SDG&E's request for the proposed Armed Forces pilot but encourages development of another Armed Forces focused pilot.
- Directs PG&E, SDG&E and SCE to implement Automated Demand Response Programs with specific and uniform parameters.
- Authorizes SCE to continue its Aggregator Managed Portfolio program contracts for one additional year, but with no new negotiations.

SAFETY CONSIDERATIONS :

- The performance and funding of demand response programs ensure the reliability of electric service in the PG&E, SDG&E and SCE service territories; similarly adopting and funding demand response programs in the areas affected by the Aliso Canyon gas leakage helps to mitigate the effects of the leakage.

ESTIMATED COST :

- PG&E -- \$55.29 million for 2017 demand response programs
- SDG&E -- \$22.3 million for 2017 demand response programs
- SCE -- \$50.28 million for 2017 demand response programs plus
- \$9.3 million in 2017 demand response incremental funding for Aliso Canyon mitigation

Regular Agenda – Communication Orders

Item # 13 [14877] – Approves California Advanced Services Fund Public Housing Infrastructure Projects and Delegates to Staff the Authority to Approve Applications for Wired Buildings

Res T-17515

PROPOSED OUTCOME :

- Approves funding for the public housing infrastructure grant applications of San Bernardino for its Lynwood and North E Street projects, Community Housing Works for its Northwest Manors II projects, and from Eden Housing, Inc. for its Hayward Senior, Warner Creek, Jasmine Square, Monticelli, Rancho Park, Royal Court, Wheeler Manor 650 5th Street Wheeler Manor 651 6th Street projects from the California Advanced Services Fund Broadband Public Housing Account Infrastructure Grant Program in the amount of \$239,793. All 12 projects were challenged by two Internet Service Providers based on services already being available within the building. This Resolution denies these challenges and modifies the Expedited Review Criteria in Decision 14-12-039, Appendix B, delegating to Communication Division staff the authority to approve applications through expedited review for properties that are wired.

SAFETY CONSIDERATIONS :

- The deployment of affordable broadband in public housing will improve access to government and e-health services, which improves safety.

ESTIMATED COST :

- \$239,793.

CASF Public Housing Infrastructure Program

- Public housing program provides grants to publicly supported housing communities to build infrastructure within the properties.
- Staff can approve applications meeting expedited review criteria.
- Approximately 360 project applications received.
- Project challenges received verifying existing broadband service/wired status; however expedited review criteria (est. in D.14-12-039) do not address this.
- Nearly all applications received are for housing facilities that already have access to broadband services and have wired units.
- Subscriptions are low.

Rule Clarification Needed

- Is the CASF Public Housing Infrastructure Program
 1. Limited to **providing inside wire** that connects to a service provider network **where it does not already exist**, or
 2. Allowed to overbuild existing inside wires to **make broadband more affordable** (or free) to people in public housing?
- P.U. Code Section 281(h)(3) and Decision state that an entity is eligible if it has not denied access to any provider that is willing to connect a network to the facility.
- Resolving challenged projects via resolution is cumbersome.

Resolution T-17515 Summary

- Provides staff authority to approve projects that have existing broadband service/wired status by modifying the expedited review criteria.
- Provides funding to 12 projects that fit that criteria.
- Denies the challenges by two Internet Service Providers of 12 projects that argued their services are already available and buildings are already wired.
- Modified criteria will speed up staff review to encumber monies by EOY 2016.
